Dear Mr. Dunne:

Re: Permit Review Status, Kennecott Utah Copper, Tailings Modernization Project
Mine, M/035/015, Salt Lake County, Utah

On September 17, 1994, the Division received Kennecott Utah Copper's plan for the Tailings Modernization Project. We have initiated our evaluation of your proposal. Due to a backlog of other permit reviews, and a recent technical staff position vacancy, we will not be able to complete a review of this plan within the usual 30-day timeframe. Please accept our apology for the delay and any inconvenience this may cause you.

We hope to complete our review of your initial application within the next 30-45 days. We appreciate your patience and understanding in this regard. Please contact me if you have questions or concerns with this proposed review schedule.

Sincerely,

A handwritten signature in cursive script that reads "D. Wayne Hedberg".
